## Where do I play according to this schedule?

“Experienced Play” is for Intermediate players & up only.

“OPEN” is for beginners who are less experienced and more comfortable playing with other beginners. The schedule allows for beginners to play the last hour to hour and forty-five minutes of scheduled play. They may seek “coaching” from more experienced players at this time.

This schedule will be reviewed periodically and can be changed due to The Center needs for gymnasium space. ALL PICKELBALL players must have a CURRENT Center Pickleball Membership. Note that rates may be adjusted as the center programming and facilities grow.
