Book Lists

A few reports ago, I think that I slammed online book lists for the sake of just asking a friend for a recommendation. Well, in an effort to find an interesting topic for this side bar, I was surfing and came across [List Challenges](#), a website/directory that includes 457 book lists from Popular Books with No Literary Value to NPRs Best Ever Teen Novels to Top 50 Banned Books in America. (Lists for Travel, Food, Movies and Other are also included.) It looks like anyone can post a list, their own or linked from a better known organization/person. Something to peruse on a lazy day.
