[We Do You Read Me?](#)

At our Zoom book club meeting, Barbara showed us a lovely coffee table book featuring bookshops around the world. As we go through this challenging time we all long for and look forward to reconnecting with our communities. I was reminded of what a great experience it was to make visits to the [Tattered Cover Book Store](#) when I lived in Denver. It started “bringing people together” in 1971 and has evolved into an iconic Denver venue. It is my sincere hope that in our future we will elevate our appreciation for the occasions that bring us together and be inspired to take advantage of every opportunity to make them happen. Btw, Barbara’s brother’s bookshop, [Proust Wörter und Töne](#), is featured in this book!
