Welcome to 2021

Tea and Ink Society

A Literary Blog & community for the Bookish Woman

It seems fitting to post a January message that has a 'resolution' regarding reading. I remember I did that last year. This comes from the 2019 '18 Useful New Year's Resolutions for Book Lovers' post. Among the resolutions are:

- Read out of doors
- Always be ready for the next read
- Declutter bookshelves
- Give more books as gifts

The list is robust and fun. In light of 2020, I would like to add one.

- **Learn from stories that and characters who inspire us to be kind, strong, gracious and understanding.**

Happy New Year. Stay happy, healthy & hopeful.

Love, Deb
