#### National Library Week 2021

According to ALA, the theme for National Library Week (April 4-10, 2021) is "Welcome to Your Library," which promotes the idea that libraries extend far beyond the four walls of a building - and that everyone is welcome to use their services. Whether people visit in person or virtually, libraries offer opportunities for everyone to explore new worlds and become their best selves through access to technology, multimedia content, and educational programs.

Manatee County Libraries are no exception. The April Newsletter alone features a Book Sale, Employment Programs, Poetry Contests, Computer & Tech Classes, Virtual Book Discussions and Craft Clubs/Workshops.

Take a little time to explore these wonderful opportunities and to thank our dedicated librarians.
